Fun with Kyouko

★まえがき★

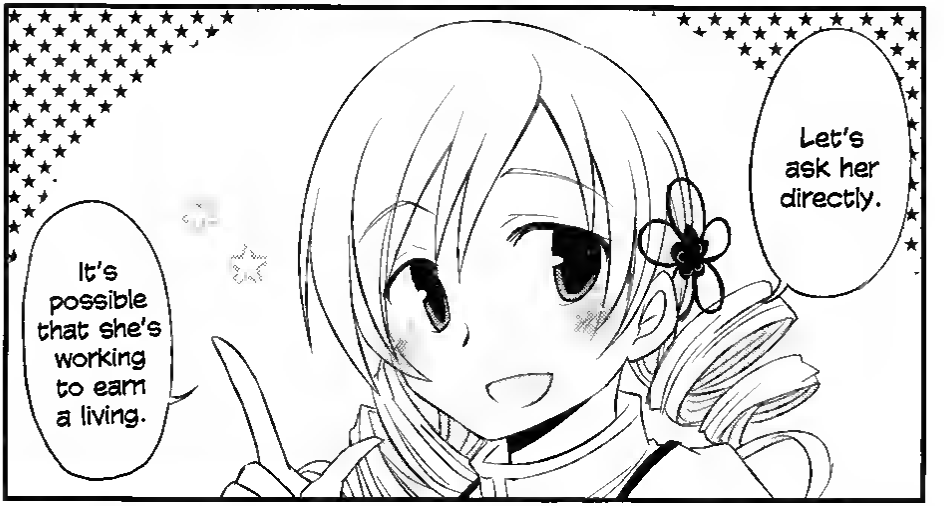
HELLO, MOMOYA CHIKA HERE.
I LOVE SAYAKA THE MOST.
I CAN'T GET ENOUGH OF HER SHORT LIGHT BLUE HAIR. JUST AS I WAS HOPING KYOUKO AND SAYAKA COULD BE HAPPY, IN A SHOCKING DEVELOPMENT THEY LEAVE THE SHOW TOGETHER... WOW.. JUST WOW...
ALL OF THE GIRLS I LIKE DISAPPEAR...!!

IT'S FINALLY TIME FOR THE LAST EPISODE AFTER THE VIEWER'S SOUL GEMS HAVE BEEN LEFT DIRTY...! IT ALSO HAPPENS TO BE JUST IN TIME FOR THE FINAL DAY TO SEND SCRIPTS IN AS WELL, SO IN MANY DIFFERENT WAYS, I AM EXCITED.

↳ THE TITLE MAY MAKE THIS SEEM LIKE A KYOUKO FOCUSED BOOK, BUT SINCE ALL THE CHARACTERS APPEAR IT'S AN ALL AROUND ONE! (NO HITOMI OR KYOUSUKU THOUGH), EVEN SO, I WON'T CHANGE THE TITLE... I JUST WENT CRAZY FOR KYOUKO.

WELL THEN, I HOPE YOU ENJOY THE BOOK.!
SOME TIME IN APRIL -
MOMOYA CHIKA

I see...so Sakura-san did that...
I find it hard to believe though...
But if she did, there is just no way...
an ally of justice could forgive theft!
JUS-TICE
Oh, thank you!
Mami-san the cake is delicious

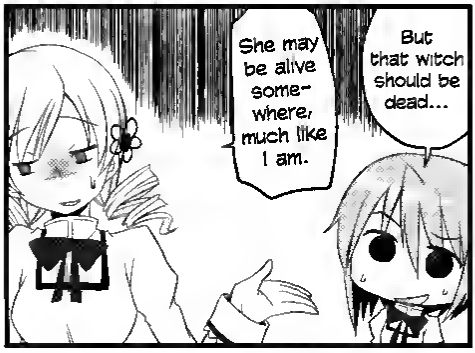


Let's ask her directly.
It's possible that she's working to earn a living.

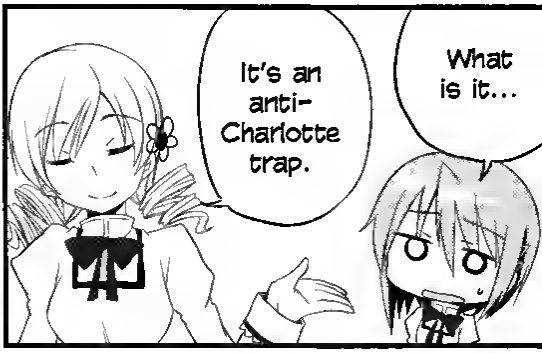
However, I don't know how to contact Kyouko or where she lives.
She doesn't look the type to have a cell phone.
.....
I didn't consider that.

We'll use this!!
TA-DA
!?

So how are we going to ask her?
Well, we could get her come to us instead.
Sayaka-chan, you going to eat? EAT! EAT!



She may be alive somewhere, much like I am.
But that witch should be dead...



It's an anti-Charlotte trap.
What is it...

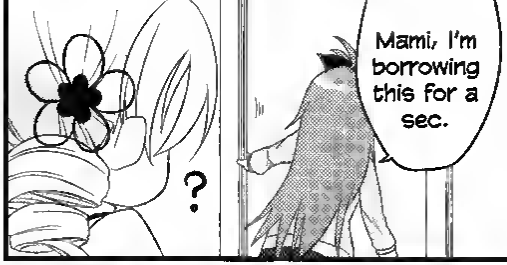
Just watch how effective it is!
Munch
?
will this really get her to come?
Well, that's fine...
It's BIG

Mami-saaan!?
Kaname-san! Yell "Homura-chaaan"! Not my name!!
...
Ehhh..
...
Saave meeee!
Homura-chaaannnn!!

Homu-raaaa!!!
See?
Homu!
!?
And so.
So... I just need to put Kyouko's favorite food inside.
Tomoe Mami... I'll make you explode.
Homura-chan we'll be in danger if you do that!

What's with that
This way will please all the KyoSaya fans! Good luck, Miki Sayaka!
Shouldn't the apple be enough !?
Why am I in here too!?
Calm down
Ahh, ahh! Come over here.
Want to eat this apple together?
She really did come.
Hey.
What are you all up to?
How dumb could you possib--
Oh come on now, no one is stupid enough to fall for that.

Oh, right!
I have something to ask you right away.
Mami, don't you forget about this!
How did that feel just now?
Your soul gem's going to get dirty.
...
It's got nothing to do with you, Sayaka.
...
Kyouko.
I want to hear about how you make purchases.
!!
TCH
.....
What a pain you all are.
"We're magical girls, there's no one like us"...
you once said that, right?

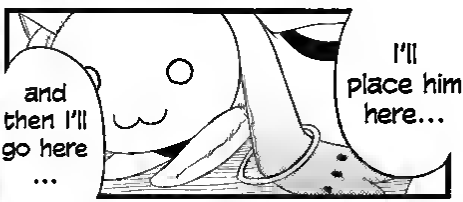


Mami, I'm borrowing this for a sec.
?

GRIN
Stuffed animal

Mami-san!!
What's wrong? I'm just borrowing it for a moment.
Madoka!
Rather, how do you know about him!?
What do you plan on doing with my stuffed Kyuubey...?

THUD



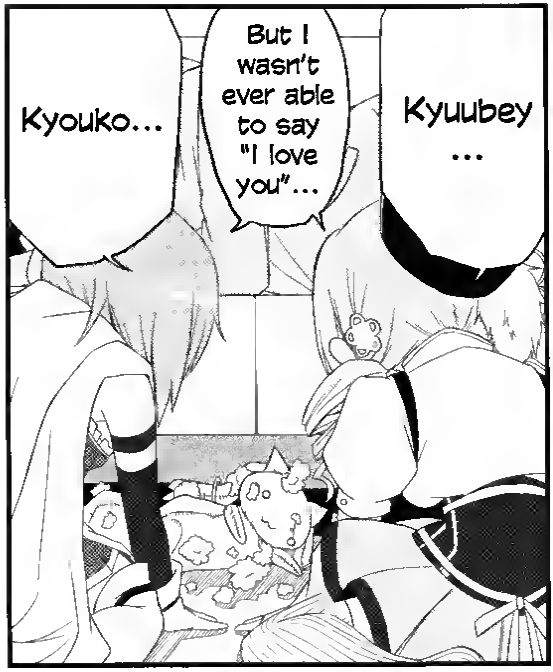
and then I'll go here ...
I'll place him here...

I work hard on the side of the street using dolls to put on a performance.
It's nothing special though!
I understand, so stop making it walk around on two legs.
It's the start of a super fun puppet show!
Hey! I'm Kyuubey!
YOINK
Hmm?
Hey, Mami!
What are you--

Mami-san, could you lend it to me next?
Sorry Miki-san, but this is mine alone.
...
MAMI-SAN YOU MUST BE LONELY
MIKI-SAN YOU MUST REALLY WANT WHAT'S INSIDE
It's so peaceful, Homura-chan!
It sure is, Madoka.
But that's no simple stuffed animal. Kyouko's spirit is inside.
JUST ONCE IS FINE.
You're right. Even if Kyouko is inside, it has Kyuubey's appearance.
I MADE IT.

!?
!?
Stop acting so mature, Mami-san!
You should respect your seniors, Miki-san.
I DON'T UNDERSTAND THIS AT ALL!!!!!!!!
MADOKA! HOMURA! DO SOMETHING!!
GOD DAMN ITTTTTTT!!!!!!!
'Ahhh nnnn'♪
ufufu
kyaa!
kyaa!!
Madoka 'ahhnnnn'♪

MADO-KAAA!!! FORM A CONTRACT WITH ME AND BECOME A MAGICAL GIRL!!
RIP
You're tearing me apart!! You're tearing me apart!!!
RIP
Ah! That's right!
BANG BANG BANG

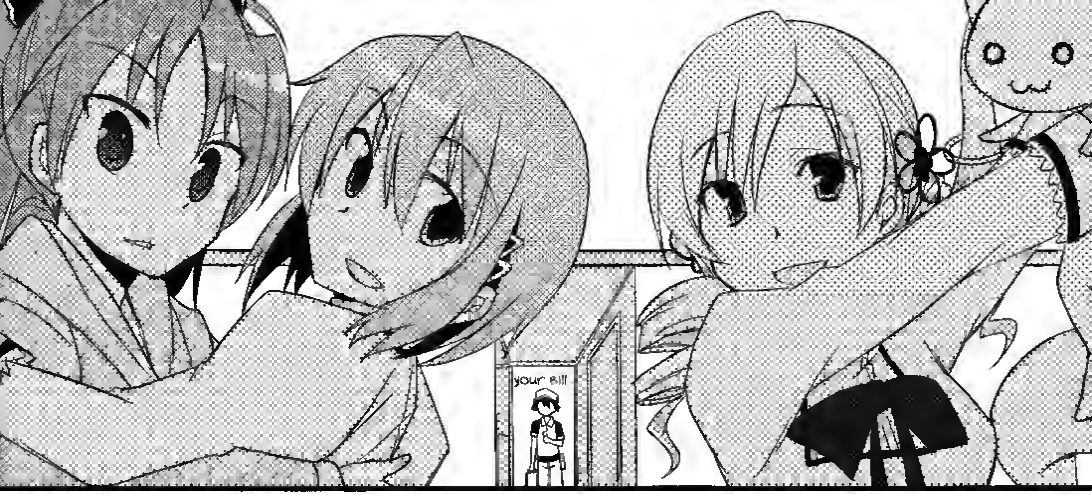


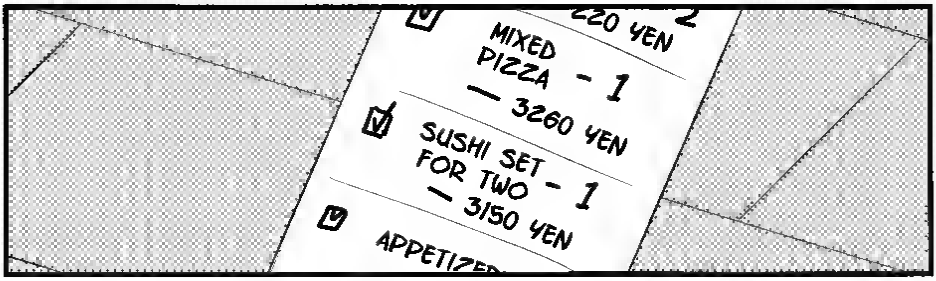
Kyouko...
But I wasn't ever able to say "I love you"...
Kyuubey...

N-no... Kyuu... bey... you've got to be joking...
Eh... no... Kyou... ko... this can't be real...

TURN
You called?

That was a great puppet show!
Right, Homura-chan!
Yes, Madoka.
We'll come watch again once you have a new act!
Oh right, we should leave some money.





TOTAL 11,029 YEN

THANKS FOR YOUR BUSINESS!

all of the desserts were eaten.

We realized this later, but...

END

How to deal with her
Kyouko, I need you to go on an errand for me.

Huuuh? Do that yourself.

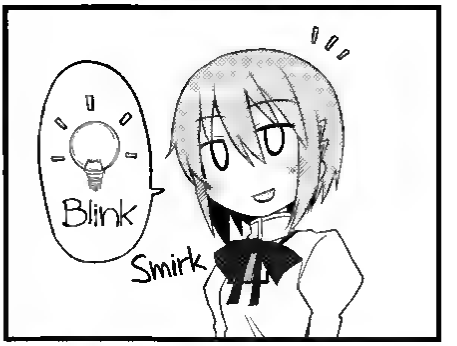
I'll make dinner for you.

I'll be right back!
GRIN

LET'S GO KYOSAYA!!
Flash

Gentle eyes

An inviting navel

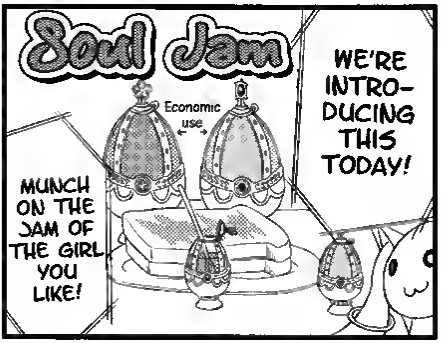


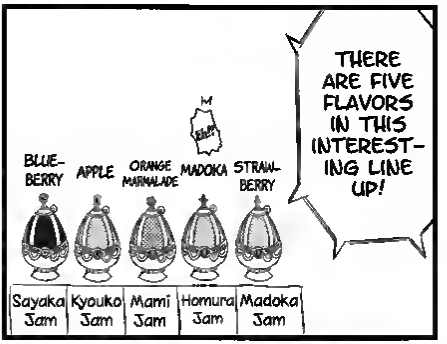
At☆heart

But, why am I with you?
You can't do it alone?
I thought that even if I messed up, you would be there to catch me.
You've got food around your mouth.

Their own world

Soul jam





Madokaaa!
